The Embassy of Japan in Pakistan and Pakistan Japan Cultural Association, Khyber Pakhtoonkhawa arranged a painting and speech competition amongst school children at Surgeon Muhammad Kabir Auditorium Gandhara University Peshawar. The Art and Speech competition is a regular feature of the Embassy of Japan to introduce the Japanese culture and traditions among the youth of Pakistan.

Mr Muhammad Atif, Minister for Elementary and Secondary Education KPK was the chief guest.

In the art competition, two children from each school were invited to draw paintings on the themes of their own choice related to Japan and Pakistan. Similarly, students from various schools competed in the Speech Competition in Urdu on various topics related to Japan.

Speaking on the occasion, Mrs Roeeqa Kabir, President Pakistan Japan Cultural association, KPK said that these competitions provided an opportunity for young and talented students to focus and to express themselves on the growing cordial relations between Japan and Pakistan with the hope that in future, they may help to hold bridges of friendship and cooperation between the two nations. She congratulated the winners in various competitions and highlighted manifold contributions of Japan for the people of Pakistan. The Chief Guest Mr Muhammad Atif distributed the prizes amongst the winners and appreciated the efforts of PJCA regarding the healthy activities in Khyber Pakhtunkhwa. He urged that the tenanted students from government schools should also take part in these competitions to get the equal exposure in such type of activities.

Dr Ismail Qamar
